Altin Büro was established in 1993 and has a proven track record of not only meeting but exceeding expectations of our clients.

We attribute our growth to years of indepth research, own production units and a highly efficient marketing channel.

We manufacture office chairs and components in an integrated manner as plastic, metal, form and upholstery.

Punctuality in time, Quality products, the ever evolving creativity, customer services “Confidence and Support” and to take into account the customers views in products to continue are an approach in our law.
